

Jesus Came Bringing Us

Typical of folk songs from many traditions, this song exists in a variety of translations, and with a number of variations in the tempo and rhythm. They are all correct! Adjust the rhythm and timing to one that fits you best. Make up other verses. As you sing it, let the song take on a life of its own. Percussion instruments – drums, tambourines, clapping hands, tapping feet, jangling keys – can help keep the song moving.
