

# Spirit Blowing through Creation (Spirit of God)

Youth and adult choirs will enjoy singing this song about the presence of God's Spirit throughout creation. Create texture and variety by having different voices sing the verses with everyone singing the refrain each time. For example, have a female and male soloist sing the first verse, each singing half. Have all the men sing the second verse, the women sing the third verse, and all sing the fourth verse.

The musical score is written for piano and voice in 3/4 time, with a key signature of one flat (Bb). It consists of four systems of music, each with a vocal line and a piano accompaniment line. The lyrics are arranged in four verses, with the first two lines of each system corresponding to the first two lines of the lyrics. The piano accompaniment features a steady bass line and chords that support the melody.
